

The image features a dark teal background with a central white logo. The logo consists of the word "Salt" in a small, simple sans-serif font, positioned above the word "Garden" which is written in a large, elegant, flowing script. The entire composition is framed by a dense border of botanical illustrations. These include various types of leaves and ferns in shades of green and brown, some with detailed vein patterns. The illustrations are layered, creating a sense of depth and texture around the central text.
